

Nursery Guidelines

We LOVE having your kids spend time with us in the Nursery!
Because we want to do our best to care them, we ask for your cooperation in following these guidelines.

- At registration, you will be given a name tag that matches your kid's. This tag must be presented when you pick up your kid after the service.
- ▲ Please make the Nursery staff aware of **any allergies** or **special needs** your kid may have.
- Make a note of your family number. If your kid needs you during the service, your number will flash on the monitor next to the stage in the sanctuary.
- ▲ If you leave a diaper bag or any other personal items with your kid, please make sure that they are labeled with your kid's name.
- Any blankets, toys, or other items left with your kid should be noted on the sign-in sheet under "Special Instructions."
- ▲ Should your kid require a diaper change during the service, we will flash your family number on the monitor next to the stage in the sanctuary. If you would prefer that we change the diaper in the Nursery, we do request your written consent.
- Please share any information that will help us take better care of your kid. Knowing any strong likes or dislikes, favorite activities, or toys, will help us make the time your kid spends in the Nursery more enjoyable and help ease any separation anxiety.
