### **The Me I Want To Be becoming God's best version of you**

*based on the Book of the same name by  
John Ortberg*

---

"God made you to flourish - to receive life from outside yourself, creating vitality within yourself and producing blessings outside yourself. Flourishing is God's gift and plan, and when you flourish you are in harmony with God, other people, creation, and yourself. Flourishing is not measured by outward signs such as income, possessions, or attractiveness. It means becoming the person *He* had in mind in creating you."

John Ortberg
